

**** CONDITIONS FOR FINAL CONSTRUCTION APPROVAL ****

This is the FINAL CONSTRUCTION INSPECTION PUNCH LIST for Roads, Drainage, and Erosion Control Facilities

Punch List Date: March 7, 2000

Project Name: KC AIRPORT

Project No.: B98C0235 Activity No.: 10001764

Activity Type: INSPCT-C

Location: 7277 PERIMETER RD. S.

- 1 The Land Use Services Division has a computer tracking system that uses project and activity numbers. Please refer to both the project and the activity numbers when inquiring about this project.
- 2 This official punch list is valid for 30 days. Changes will not be made within the 30-day limit without the expressed review and approval of the Senior Engineer, Land Use Inspection Section. Any extensions to the 30-day limit must be approved by the inspector. Deviations from this policy should be reported to the Senior Engineer at 296-7205.
- 3 Computer generated punch lists may appear to be missing punch list items because they are not numbered 1, 2, 3, 4, 5, 6, ...etc. This is not a mistake, but due to the way the computer stores the standard conditions listing.

100 OK **STORM DRAINAGE SYSTEM:**

as per 01/10/00 Replace the grated cover of MH 14 with solid covers.

Not read as per phone conversation w/ B. Renard.

800 NON CONSTRUCTION RELATED REQUIREMENTS:

- 804 **A FINAL CORRECTED TECHNICAL INFORMATION REPORT (TIR) REQUIRED:**
For projects designed under the 1990 Surface Water Design Manual, the applicant shall supply two (2) copies of TIR to this office. The FINAL CORRECTED TIR will reflect any drainage design plan changes. If no drainage design plan changes were approved, copies of the original TIR are acceptable. Copies of the TIR shall be marked "FINAL CORRECTED TIR". One copy will be kept by DDES and one will be forwarded to the King County Department of Natural Resources for permanent record.
- 820 An inspection fee is due. This fee covers inspections after one year past the plan approval or permit issuance date, any code enforcement inspections and the maintenance/defect bond release inspections, if required. Make checks payable to the King County Office of Finance. Please contact the FINANCE SECTION at (206) 296-6659, for the current amount(s), after all other items are complete. Final Construction Approval can not be granted until all outstanding fees are paid.
